## **KDWA - Kingborough Dog Walking Association (Inc.)**

We aim to encourage responsible dog ownership in Kingborough, and to lobby for the retention and enhancement of suitable dog walking areas in the municipality. We are an incorporated body formed in 1998.

Over the last 21 years KDWA has achieved much, including access to the southern side of Browns River at Kingston Dog Beach, the establishment of Suncoast Dog Park in Blackmans Bay, access to Peter Murrell Reserve, and access to Tarooma Beach (east) as a designated off-lead area. We have just completed a dog owners' handbook with Kingborough Council.

We would have achieved nothing without the support of our membership. Please consider joining us and adding your voice to our efforts.

We organise and contribute to various dog events throughout the year, including information and social events for the public.

Members receive regular newsletters during the year, keeping them up-to-date with KDWA events and other useful information. Members are encouraged to contribute to our newsletters.

We are a member of Tasmanian Dog Walking Clubs Inc., an umbrella organization of dog walking clubs in Tasmania, and maintain our own section on their web site.

Our membership fee is only \$15 per person and \$20 for families, per financial year. The larger our membership, the more influence we have – please join us!
